ALLIED SA-102 UV AUTOMATIC SCREEN PRINTER

SA-102 UV screen printer offers many features not available with competitive units.

- 1) Absolute Flexibility - create the system(s) you need for production – that day!
- “plug and play” for single or multi-color printing.
- 2) Easy Changeover - no “modules to remove from masters” & only minutes to link machines.
- 3) Compact Systems - 25 year newer technology linked totally in-line.
- 4) Convenient & money saving - buy what you need now, add additional units later.
- 5) Dimensional Flexibility - run FLAT's, ROUND's, & OVAL's – ALL AT THE SAME TIME.
- 6) Warranty & support - new system with all inclusive parts warranty, veteran service, full tooling capability, & engineering in Ohio, USA.
- 7) Spare parts - component's, supplies, as well as technical help from our Ohio operations.
- 8) Reduce capital expenditures - pay substantially LESS money, for a high-flexibility system, than our competition would charge.
